Training and Consultation

Through her extensive background in areas such as Animal Assisted Therapy and Interventions, Trauma Informed Treatment, Designing Group Therapy and Curriculum, Mindfulness, Experiential Education, Nature Based Healing and Social and Emotional Learning, Molly offers consultation and training services that would greatly benefit organizations looking for expertise in these areas. Services are offered on hourly, half or full day basis, on or off-site and may be conducted over the phone if deemed appropriate.

Fees: Hourly-\$175 Half-day-\$675 Full-Day-\$1,300

Facility: Additional charge(s) for services performed on site at Hold Your Horses farm in MN.

Travel: For services performed outside of the Minneapolis area travel and hotel expenses will also be billed. Clients may book and pay for travel arrangements or choose to be billed.

**Please contact Molly for additional payment and/or bill options (e.g. non-profit, etc.)

Animal Assisted Therapy/Learning Curriculum

Contact Molly to assist you in designing curriculum that suits your client/group needs.

Speaking Engagements

Molly brings depth of experience and a wealth of applied expertise to draw on from her background making her an ideal candidate to speak at your organization's next conference or meeting. She is available for speaking engagements, keynote addresses and other ways in which your organization or group may benefit from her expertise. Molly has spoken on a rich variety of subjects including:

- Animal assisted therapy
- Trauma interventions
- Mindfulness
- Experiential education

Please contact Molly at Cairns Psychological Services to discuss pricing for speaking requests.
